

International Symposium on Children's Environmental Health

Wed

24 October 2018

14:00 – 16:00

Venue: International Congress Center,
Epochal Tsukuba, Room 201

<https://www.epochal.or.jp/index.html>

Organiser: National Institute for Environmental Studies

Co-organiser: Graduate School of Comprehensive Human Sciences, University of Tsukuba

Language: English

Registration: Free (Pre-registration required. Registration will close when it reaches 100.)

National Institute for Environmental Studies will hold the International Symposium on Children's Environmental Health with three outstanding researchers from the United States. In the symposium, presented are 1) health and economic benefits of preventing impact of chemical exposures, especially among children, 2) impact of air pollution on children and 3) needs and contributions of children's environmental health studies. Symposium is open for public and free of charge. Pre-registration is required.

14:00 – 14:15
