

Working Group Meeting at TPM8▷

▽Cultural Experience: *Buku-Buku* Tea Ceremony

Participants from all three institutions had the opportunity to drink this traditional tea, covered with fluffy foam, which is unique to Okinawa.

△Cultural Event: *EISA*

*EISA* is one of the traditional summer arts of Okinawa. During the period of the *EISA* festival, the young people go through the streets dancing to the beat of a *Taiko* drum and the sound of the *Sanshin*, Okinawa's traditional three-stringed musical instrument, in a form of worship to the Gods of Okinawa.
