

# **Session I :Updates on the National Communications (NCs) and Biennial Update Reports (BURs) from non-Annex I Parties**

## **Introduction**

Midori Yanagawa

Greenhouse Gas Inventory Office of Japan (GIO)

Center for Global Environmental Research (CGER)

National Institute for Environmental Studies (NIES)

The 17<sup>th</sup> Workshop on GHG Inventories in Asia (WGIA17)  
July 31, 2019, Singapore

# Objectives of this session

- To know the updates of National Communications (NCs), Biennial Update Reports (BURs) submission
- To understand the GHG emission status of each country
- To share the status of NCs and BURs submission and preparation

# Relevant Article of the Convention

- Decision 1/CP.16 – Cancun
  - **Enhance reporting** in national communication : Non-Annex I Parties should submit their National communications (NCs) every 4 years and biennial update reports (BURs)
  - **Conduct International Consultations and Analysis (ICA)** of BURs under the Subsidiary Body for Implementation (SBI)
- Decision 2/CP.17 – Durban
  - Guidelines for the preparations of BURs contained in Annex III
  - Non-Annex I Parties should submit their first BUR by **December 2014**, and shall submit a BUR **every 2 years**, either as a summary of parts of NCs or stand-alone update report.
  - Modalities and guidelines for ICA contained in Annex IV
    - **The ICA process** will consist of the following two steps:
      - **Technical Analysis (TA)** of the BURs by a team of technical expert
        - » Prepare summary report
      - **Facilitative Sharing of Views (FSV)** under the SBI
        - » SBI to convene 1-3 hr. workshops to consider summary report and BURs
        - » Record of facilitative sharing of views

# NC&BUR submission status in Asian countries

Based on information from UNFCCC web site (As of July, 30, 2019)
